

BENEFITS OF YOUR OWN LAUNDRY

INDEPENDENCE

An in-house laundry means having it available at all times and at short notice. Select, organise and process your laundry as you wish, and therefore make it your business sign..

HYGIENE

An interaction of individual washing programs and certified washing procedures guarantees a level of hygiene in accordance with current standards.

QUALITY

Perfectly maintained quality linen is a calling card of your business. Check therefore by yourself your laundry reliably and quick.

ENVIRONMENT

Thanks to modern technology, your in-house laundry operates in a resource-saving manner. Short transportation routes are in addition environment friendly and time-saving.

PROFITABILITY

Lower external costs and optimise staff workload. With your own laundry you keep a constant eye on costs.

SUSTAINABILITY

In your laundry you will work sustainable and future-oriented. Thanks to a prolonged working life of your laundry, you preserve their value.
